An act to amend Section 12012.85 of the Government Code, relating to gaming.

LEGISLATIVE COUNSEL'S DIGEST

SB 930, as introduced, Burton. Indian Gaming Special Distribution Fund.

Existing law ratifies specified tribal-state gaming compacts. Existing law also establishes in the State Treasury the Indian Gaming Special Distribution Fund for the receipt and deposit of gaming device license fee moneys received by the state from Indian tribes pursuant to the terms of the tribal-state compacts. Money in that fund is available for appropriation by the Legislature for various purposes, including grants to address gambling addiction, grants for the support of agencies impacted by tribal government gaming, and compensation for regulatory costs. Existing law also creates in the State Treasury the Indian Gaming Revenue Sharing Trust Fund for the receipt and deposit of moneys derived from gaming device license fees paid by compact tribes. Money in that fund is available to the California Gambling Control Commission, upon appropriation by the Legislature, for distribution to noncompact tribes, according to the terms of the tribal-state gaming compacts.

This bill would also specify that money in the Indian Gaming Special Distribution Fund may be used to make payment of shortfalls that may occur in the Indian Gaming Revenue Sharing Trust Fund.
